Brown was born in Miyazaki, Japan. Her mother, Mieko, is Japanese, and her father, Stuart,[4] is British.[5][6][7] She has a younger brother, Ocean

Brown. In Japanese, her given name is written in kana as (Sukai) or in kanji as (Sukai); as is standard for non-traditional Japanese

names, her family name is written only in kana script.[8][9]

Her British father lived in the

United States for several years before moving to Japan.[10] Brown lives in Miyazaki, but spends around half the year in the US.[10] Her

family are skateboarders, and her preschool had a skate park.[11] She has a skating ramp in her back garden,[12] as there are no skate parks in

her home area of Takanabe, Miyazaki.[9] In addition to skateboarding, Brown also surfs.[6][12][13]
